Wired

Presented by: Green Thumb Theatre
Grades 3 – 8

Themes covered: Internet Bullying, Safe Schools, and Internet Safety. In a time of constantly being wired in, effortless photo snapshots and uploads from camera phones, and where conversations aren't taking place face to face, this new play examines the alarming rise of cyber-bullying, where cruelty can be administered instantaneously and anonymously. Bullying in the schoolyards has

been replaced by the simple press of the return button, causing apathy and disconnects to arise, ironically from being virtually connected. Just because it's virtual does not make it less real.

In this hilarious barnyard blockbuster, good ol' Farmer Brown has left his city-slicker brother in charge of his farm while he takes a much-needed vacation. Detailed instructions left by Farmer Brown fall into the wrong hands (or wings!), and Duck takes the opportunity to do a little re-writing – with a few creative embellishments that result in madcap musical mutiny. Soon it's pizza for the hen and bubble baths for the pig!
